**RE: Heery Renovation Package No. 7 for the Houston Independent School District
Renovations to Elrod, Gordon, Love, MacGregor and Milam Elementary Schools**

Dear Lee:

Renovations to Elrod, Gordon, Love, MacGregor and Milam Elementary Schools are nearing substantial completion and I wish to take this opportunity to compliment you and your team of dedicated employees. All involved in these projects, from those in the field to the support personnel in the office have demonstrated a genuine desire to provide quality, professional service.

Your outstanding safety program that involved the children in safety awareness was a huge success, one HISD promoted to the other General Contractors involved in the current Bond Program work.

In this age of competitive construction contracts, some contractors are not as willing to provide the extra attention that quality work demands. It is nice to work with a firm that does not subscribe to that line of thinking.

We at Heery International, Inc. look forward to working with you and your team on future projects, and wish you and your firm continued success.

Very truly yours,
HEERY INTERNATIONAL, INC.

William S. Moses, AIA, CFM
Project Manager
